My Dear Miss Hartzell-

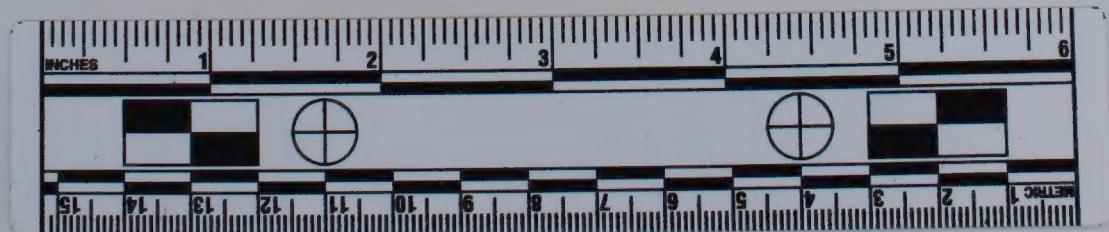

You will no doubt be surprised to receive a letter from me who is an utter stranger to you. But I feel that I almost know you in hearing my friend Mr Frank Cupps of Cadopole speak of you so often. She often wished that I might meet and become acquainted with

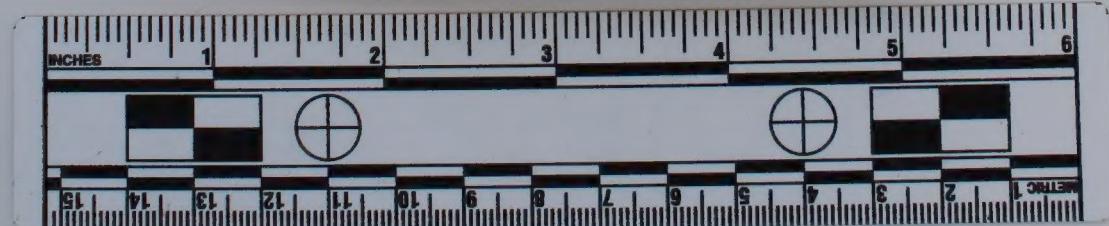

You and after coming home  
from there last Spring I called  
you on Phone but was told that  
you had left Pgl and gone  
on to Colorado Springs and  
later that you had gone on to  
California. Supposing that you  
are yet there I will send letter  
and hope that it may reach you.

My object in writing you is

That for some time I have con-  
templated a trip West & had  
thought of either going to Colorado  
or later to California

now I would want to spend  
a couple or three months there  
but in case I should like it  
and find that I was much  
benefitted I might want to  
stay a year - I would like if  
you would tell me frankly  
if you think there is a good  
chance for a nurse while  
there to get work enough  
to pay her expenses at least  
I mean in case I would  
like to stay for some time  
as you well know nursing

is a good thing in Pyl and  
I do not want to be away from  
her too long - I have two  
friends in Colorado Springs  
who are nearer near to write  
there also - Have some friends  
in Los Angeles - but am not  
quite ~~sure~~ ~~some~~ of the address  
Now Miss Hatchell I will not  
write more now but if this letter  
reaches you - I will regard it  
as a great favor if you will  
give me any information that  
may help me and will then  
write further to you  
Yours very truly Elizabeth Neyman
